Brief Bio:

I am a south Louisiana native that lived away from Bayou Country for a number of years, both in the Marine Corp and other adventures. I moved back in 1998 and have been member of the Thibodaux Amateur Radio Club since I got my license in 1990. I am a past president of the Thibodaux Amateur Radio Club, and am privileged to serve this year as the Activities Coordinator 2018

What I enjoy about Amateur Radio:

Where to start? The technical challenges, the fellowship of like minds and kindred spirits, the ability to serve my community in a unique way? Each aspect of the hobby brings its own unique challenges and learning opportunities. If it is fun you seek, this is the hobby for you!
